Course Enrollment

Access Competency Courses e-Learning Portal

It's important to access this site with Google Chrome Browser on your laptop or desktop with Windows 7 and above.

Have a 2 Mbps speed broad band connection for accessing Competency courses.

Do not use mobile phone or tablet or iPad to access your course.

If you do not have Google Chrome

Click on the link to download the browser: <https://www.google.com/chrome/browser/>

Access the Competency Course e-Learning Portal with the URL <https://www.dgshipping.gov.in/>

Open “E-Learning” Menu, click on “Competency Courses” Sub Menu as shown below.

SCREENSHOT: DG SHIPPING WEBSITE

You will be directed to the website <https://dgsmtt.aduacademy.in>

Enrollment

Click on the “Register Now” link to access the Enrollment Page, as shown below.

SCREENSHOT: <https://dgsmtt.aduacademy.in> website

Enroll for the course by filling the required information in the Registration Page. Enter your INDoS number & Date of Birth and click on the ‘Verify’ button.

The enrollment form will be auto-populated, based on your profile data as available on DGS E-Governance database

You will also need to provide your email id and phone number that is registered with the DGS E-Governance database and complete the enrollment for the course by clicking on the ‘Submit’ button. Refer enrollment form given below.

INDoS: [] Course Name : **MEO Class 2**

First Name * [Auto-Populated] [] Last Name * [Auto-Populated] []

Email [] Mobile []

☐ I confirm that the email address displayed above is valid and currently used by me. It is the same as available in my seafarer profile in the DGS Database.
I will be receiving all E-Learning emails to this email address.

Note: Are you unable to register for the correct course? Please submit a [Ticket](#) with your INDoS number.

[Submit](#) [Back](#)

 Please [click here](#) to login

SCREENSHOT: SUCCESSFUL REGISTRATION

NOTE: First-time users during eLearning course enrollment need to check the following:

- Check if the mobile number and email id are correct
- If not, then first update your mobile number, email id and your latest photograph in the seafarer profile section in the **DGS e-Governance system** before enrolling for the e-Learning Course
- The course is automatically selected as per your CoC presently held and so displayed in the **DGS e-Governance** system
- This form allows you to raise a ticket to the help desk if you are unable to register for the correct course

Note: ADU is not authorized to update/upload email id, mobile number and photo in the DGS e-Governance system on behalf of student. The student needs to do it himself.

- On Successful Registration you will receive a welcome email on your email id as available on the DGS e-governance database.
- User Name and Password will be provided in the welcome email.
- A link to the latest User Manual will be provided in the welcome email. Users should download and refer to it while doing the course.
- Users will not be able to reply to the welcome email. If they have any issues then they can raise a ticket under 'FAQ' section at the homepage of the website <https://dgsmmtt.aduacademy.in/>

Access Learning Management System

It's important to access this site with Google Chrome Browser on your laptop or desktop with Windows 7 and above.

Do not use mobile phone or tablet or iPad to access your course.

If you do not have Google Chrome

Click on the link to download the browser: <https://www.google.com/chrome/browser/>

Access the Competency Course eLearning Portal with the URL <https://www.dgshipping.gov.in/>

Open "E-Learning" Menu, click on "Competency Courses" Sub Menu as shown below.

Use your Login User ID and Password as given in the welcome email sent to your email id during enrollment.

- **Course Access-** Enter the username and password
- **Forgot password-** Click to receive a temporary password to your registered email id

**FORGOT
PASSWORD**

LMS DASHBOARD

After entering the Learning Management System (LMS) Portal the **course list dashboard** will appear as shown below.

MAIN NAVIGATION

The main NAVIGATION can be found at the top right corner of your browser window.

These buttons will always be on each page within the LMS at the same location.

HELP – Click to access the user manual

PASSWORD - Click the password button on the homepage after login and enter new password, if you wish to change it.

HOME - Takes you back to your course list overview / dashboard

LOGOUT - It is best to use this button to logout rather than just quitting the system

COURSE NAVIGATION

Each of your courses has its own set of navigation buttons / tools. Within each course section you will see the following buttons:

Your courses and instructors

ASSESSMENTS – Link to access the assessment section of the course

NOTES- View your consolidated notes that you have noted in the eBook notes section

REPORT- Grading and progress evaluation for each course

CONTACT ACADEMIC SUPPORT– Send email to your courses instructor

CONTACT TECHNICAL SUPPORT– Send email to your technical support

COURSE LIST DASHBOARD

The screenshot displays the LMS Course List Dashboard. At the top right, there is a navigation bar with buttons for HELP, PASSWORD, HOME, and LOGOUT. Below this, there are links for CONTACT TECHNICAL SUPPORT and CONTACT ACADEMIC SUPPORT. The main content area lists courses under the heading 'MEO Class IV Batch 1'. The first course is 'Marine Engineering Knowledge (General) - (EKG)- Class 4 MEO' with an instructor of 'Acad Support' and a progress bar at 100%. The second course is 'Marine Engineering Knowledge (Motor) - (EKM)- Class 4 MEO' with an instructor of 'Acad Support' and a progress bar at 100%. The third course is 'Marine Engineering Knowledge (Steam) - (EKS)- Class 4 MEO' with an instructor of 'Acad Support'. The fourth course is 'Marine Engineering Knowledge (Electrical) - (ELE)- Class 4 MEO' with an instructor of 'Acad Support'. Annotations include a red box around the second course name with an arrow pointing to it and a label 'CLICK COURSE NAME TO OPEN E-BOOK'. Another red box is around the 'CONTACT ACADEMIC SUPPORT' link with an arrow pointing to it and a label 'CLICK TO SEND EMAIL TO YOUR INSTRUCTOR / FOR TECH SUPPORT'. A third red box is around the 'CONTACT TECHNICAL SUPPORT' link with an arrow pointing to it and a label 'MAIN NAVIGATION'. A fourth red box is around the 'ASSESSMENTS' link under the third course with an arrow pointing to it and a label 'COURSE NAVIGATION'.

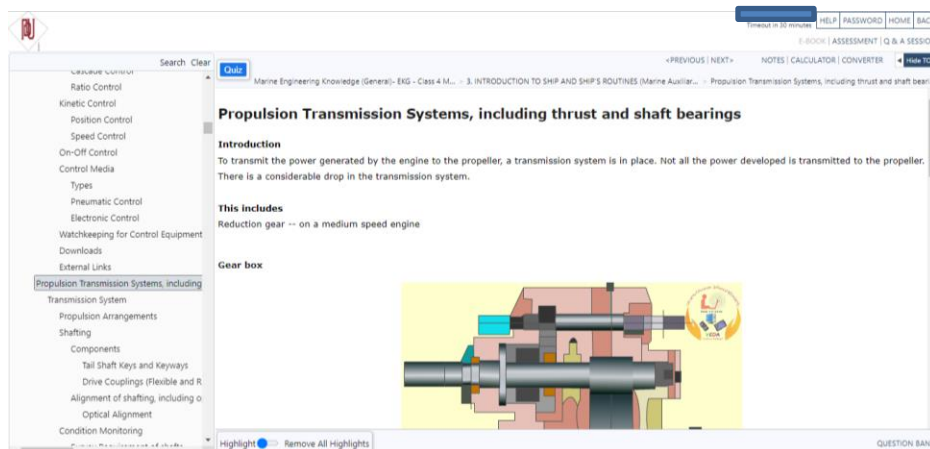

E-BOOK Layout

The LMS e-book contains learning material, various tools and quizzes.

Features

- TABLE OF CONTENTS (TOC)- List of **course topic and subtopics**
- COURSE TOPIC- **The highlighted title** for the displayed content
- PROGRESS BAR- The overall **percentage** of completion for the course (100% is recommended)
 - HIDE / SHOW TOC- Control the e-book display as **shown below**.
 - **HIDE TOC**- Click on “HIDE TOC” and the screen will move to the left, and you will be able to see the full screen.
 - **SHOW TOC**- Click on “SHOW TOC” and it will go back to the original screen when you can see the TOC (Table of Contents).
- CONTENT – Textual content along with related images/videos that are displayed for the selected topic
- QUIZ –Self Assessment Quiz comprising of questions from a particular main topic and its related sub topics.
- SEARCH - To search for a specific word or phrase in the e-book or TOC. Click “Clear” button to remove the highlighted topics in TOC.
- HIGHLIGHT- **Turn on the toggle button** labeled “Highlight” to enable the highlighting feature
- REMOVE HIGHLIGHT- You can remove all the highlighted texts by **clicking on the “Remove Highlight” link**.
- QUESTION BANK – View different questions associated with a topic by clicking on the “QUIZ”

Propulsion Transmission Systems, including thrust and shaft bearings

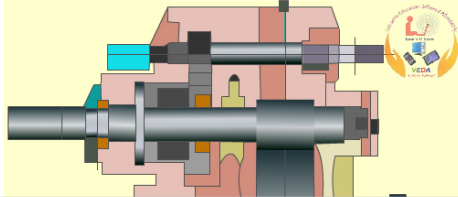

Introduction

To transmit the power generated by the engine to the propeller, a transmission system is in place. Not all the power developed is transmitted to the propeller. There is a considerable drop in the transmission system.

This includes

Reduction gear -- on a medium speed engine

Gear box

EBOOK FEATURES

Notes Area

Click on the “Notes” link on the e-book page to view the notes area at the bottom of the e-book page where you can type in your notes for that specific topic. Click on the “Save notes” link to save the notes typed. Also, you can hide the notes by clicking on the “Hide notes” link.

Notes Section

The empty "Notes" box that appears at the end of each topic by clicking on the Notes link is for you to write your own notes, for your own reference, as you go through the course. You can also save your notes and view the consolidated notes from your course dashboard. The course material is above this "Notes" box, and nowhere else."

SCREENSHOT: NOTES SECTION IN THE E-BOOK PAGE

Consolidated Notes

The screenshot shows a web application interface for a student. At the top, there's a navigation bar with a logo, a search bar, and links for HELP, PASSWORD, HOME, and BACK. Below this, a header section displays 'MEO Class IV Batch 1' and 'Program Start 07/02/2023' to 'Program End 06/02/2024'. The main content area lists three topics, each with a 100% completion bar and an instructor name 'Acad Support'. To the right of the list, there are tabs for 'ASSESSMENTS', 'NOTES', and 'REPORT'. A red arrow points to the 'NOTES' tab, which is highlighted in a red box labeled 'Consolidated Notes'. Below the list, a modal window titled 'Notes for Marine Engineering Knowledge (Gen...' is open, showing 'Notes not available'.

SCREENSHOT: CONSOLIDATED NOTES

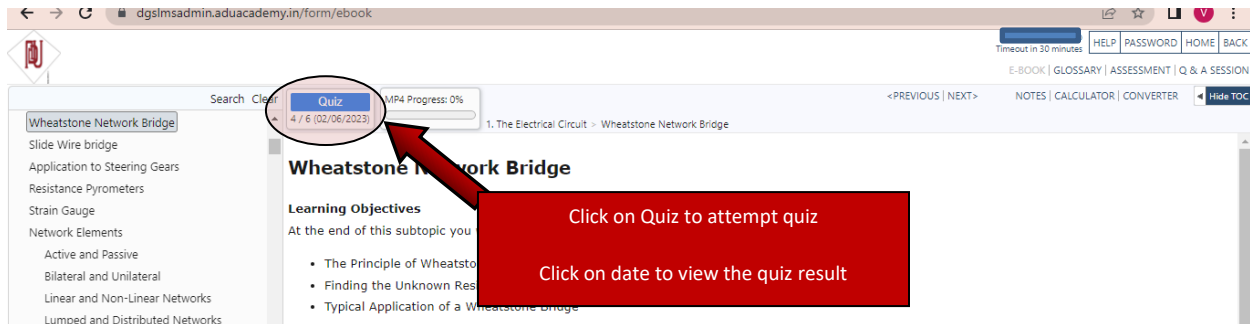

E-BOOK Quiz

Quizzes

As you go through the course, you should attempt the Quiz, which is available only at the head of each main topic. The purpose of the Quiz is for you to gauge your own performance, before taking the final assessment. The Quiz questions appear in random whenever you click the tab. Ten questions appear each time you click the tab, and every time different questions appear (depending on the number of questions in the bank, more in crucial topics, less in others).

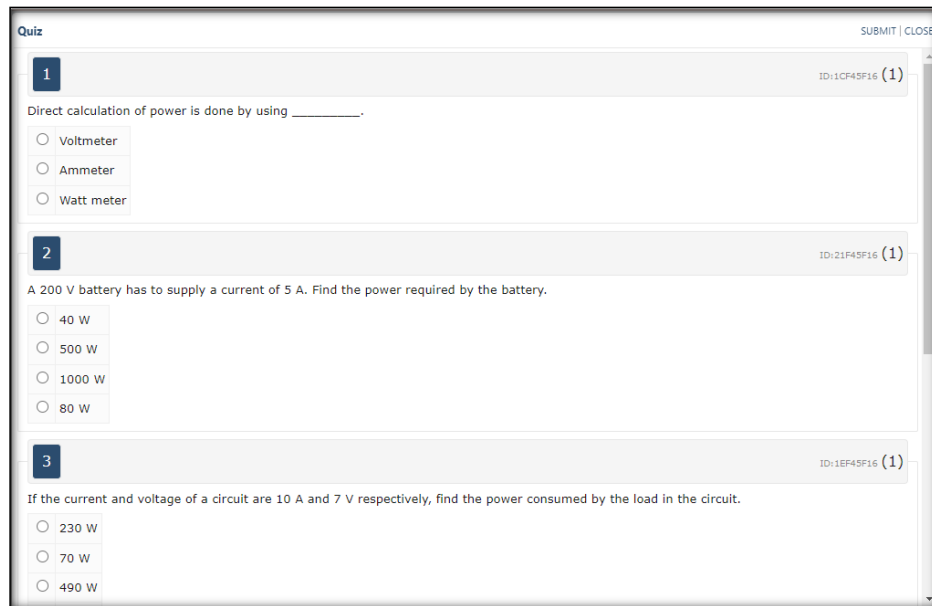

- Click the quiz button which is at the head of a main topic. Refer **Screenshot - QUIZ LINK IN THE E-BOOK PAGE**
- Begin the quiz for the selected main topic
- To answer questions for the quiz, click on the bubble to choose the answer
- Click Submit to complete the quiz
- After submission, view the results on the next page

Assessment

Assessment is presently MANDATORY only for MEO CLASS IV

The Assessment link will be activated when the following criteria are met:

% of Topics Accessed in the E-book is **Minimum of 75%**

“Course Content Access Time” **meets the Minimum requirement for the course.**

On satisfying the % of topics as well as course content access time criteria, you will need to take an assessment, for each of the six subjects of the MEO Class IV e-Learning course. The Minimum Course Content Access Time and the minimum pass marks are given in the table below:

No.	MEO CLASS IV Subjects	Minimum Course Content Access Time (hours)	Minimum Pass %	Minimum Pass Marks
1	Marine Electrotechnology (MET)	30	70%	42/60
2	Marine Engineering Knowledge - General (EKG)	40	70%	42/60
3	Marine Engineering Knowledge - Motor (EKM)	38	70%	42/60
4	Marine Engineering Practice (MEP)	24	70%	42/60
5	Ship Construction and Stability (SCON)	24	70%	42/60
6	Ship Safety and Environmental Protection (SSEP)	24	70%	42/60
	Minimum Course Access time	180 *		
7*	Marine Engineering Knowledge - Steam (EKS)	38	70%	42/60

*If you wish to do EKS, in addition to EKM, then the Minimum Course Content Access Time will be 218 hours.

The Assessment will be activated when the “course content access time” meets the minimum requirement for the course.

1. In the dashboard navigation, click the **assessment** link to access a list of assessments
2. On the list of assessment page, click on the **attend** icon to open the assessment screen
3. Read the **Instruction** on the assessment page
4. **Select the question number** from the list of questions
5. To **answer** questions in the assessment, click on the bubble to fill-in the chosen answer
6. Click **Finish** after answering all the questions to complete the **assessment**

The full MEO Class IV e-Learning course and the Assessments of all subjects must be completed within 365 days. If you are not able to complete the course and assessments within 365 days, we will re-enroll you on the course, on receiving your request for re-enrollment, to complete all the subjects and assessments again.

Access of assessment list screen from the dashboard

Kirchhoff's Current Law

Learning Objectives
At the end of this topic, you will be able to know

- Kirchhoff's Current Law

Complex circuits with many power sources and branches cannot be solved with Ohm's Law. Kirchhoff developed two laws to solve such circuits. They are discussed below.

Online Assessment Screen

Assessment list screen after attending the test

Click Finish after answering all the questions

The screenshot shows the online assessment interface. At the top, there is a header bar with the text "PSSR : PERSONAL SAFETY AND SOCIAL RESPONSIBILITY..." and a "HELP" button. On the right, there is a "Time Remaining" indicator showing "Time Left - 00:29:54". Below the header, there is a blue bar with "Finish" and "Close" buttons. The main content area displays a list of questions on the left and the details of the selected question on the right. The first question is highlighted in yellow. Annotations with red arrows point to various elements: "Click Finish after answering all the questions" points to the "Finish" button; "Time Remaining" points to the "Time Left" indicator; "Instruction" points to the text "This is a 30 minutes assessment with 30 Multiple Choice Questions. You need to score 50% or answer 15 questions correctly to pass this assessment. Good Luck !"; "Multiple Choice Questions" points to the question text; "Marks per question" points to the "(1)" mark value; and "Yellow indicates that these questions have been attempted" points to the yellow highlight on the question list.

After **Submission**, see the following

- A) **Due on** – meaning - **Submit before** - The time / date the assessment will be available
- B) **Submitted on** - The time / date you have completed the assessment
- C) **Marks**- Ratio of correct answers out of total number of questions.
- D) **Attempts**- There is no restriction on number of attempts. Students can take any number of attempts.

Note:

- The relevant data on successful course completion gets updated in the DGS e-Governance system.
- No certificate is issued on completion of the e-Learning course.
- The Student Learning Report is the main document for the student. It can be downloaded.

Student Learning Report

The Student Learning Report link can be seen in the screenshot below.

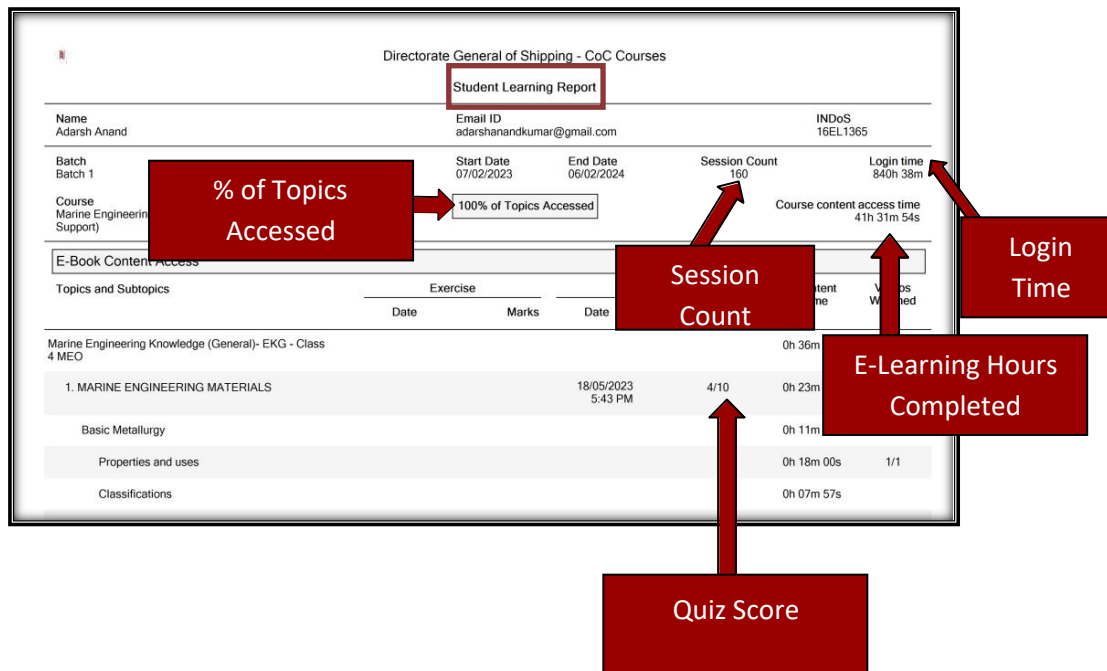

The screenshot displays the 'MEO Class IV Batch 1' dashboard. It lists four courses with their respective progress bars: 'Marine Engineering Knowledge (General) - (EKG)- Class 4 MEO' (100%), 'Marine Engineering Knowledge (Motor) - (EKM)- Class 4 MEO' (100%), 'Marine Engineering Knowledge (Steam) - (EKS)- Class 4 MEO' (0%), and 'Marine Electrotechnology (MET) - Class 4 MEO' (100%). All courses are instructed by 'Acad Support'. On the right side, there are links for 'ASSESSMENTS | NOTES | REPORT' for each course. A red arrow points to the 'REPORT' link for the 'Marine Engineering Knowledge (Steam) - (EKS)- Class 4 MEO' course, which is highlighted with a red box labeled 'Report'.

SCREENSHOT: ACCESS REPORT FROM THE COURSE DASHBOARD PAGE

The Student Learning Report contains the following Data, as shown below:

- Course Start Date (date of enrollment)
- Course End Date (date of expiry)
- Session count: The number of times you have opened the e-learning program.
- Login time: The time that you remain logged in to the system (this is NOT considered as e-learning hours)
- % of Topics accessed: % of the total number of topics of the e-book accessed by you (100% Recommended)
- Course Content Access Time (in E-Book): Time that you actually spent in reading the course material (This is considered as e-learning hours). Minimum requirement of e-learning hours is indicated to you in our Welcome email to you, at the time of Registration and also under the course section at <https://dgsmtt.aduacademy.in>
- Quiz – Date, time, and marks obtained at every quiz taken
- Videos watched
- Show from: Minimum number of hours, only after which, Assessment will be accessible
- Submit before: Same as End Date or Date of Expiry
- Submitted on: Date of submitting the Assessment
- Attempt: Number of the attempt made for the assessment
- Marks: Marks obtained at every attempt for the assessment.

“(Pass)” will be indicated below the marks if the student has obtained the minimum pass marks, and the course is then completed.

Live Q&A Sessions

The purpose of the Live Q&A session is to address any specific queries or doubts you have with regard to the study material in the E-book. **Live Q&A sessions** are also referred to as **Live Doubt Clearing Sessions**

- It is not mandatory to attend these live sessions as these are not classroom lectures.
- These sessions are meant for students who cannot fully understand any part of the course content.
- The student will have to register separately for the Live Q&A sessions.
- The questions need to be provided in advance during registration for the Live Q&A session.

Registration for a live Q&A Session

1. Click on the link - "Register for the Live Q&A session" on the landing page of <https://dgsmtt.aduacademy.in/> website
2. Enter INDoS number and Submit
3. The course that you have registered for, will be automatically enabled
4. Select the Live Q&A Session that you would like to attend
5. Enter your course related questions
6. Click "Register"
7. You will receive an email confirming the registration of the Live Q&A Session with a link to the session
